

7 January 2022

Dear Shareholder,

Schroder International Selection Fund — Middle East merger with Schroder International Selection Fund — Frontier Markets Equity

We are writing to advise you that on **21 February 2022** (the "Effective Date"), Schroder International Selection Fund — Middle East (the "Merging Fund") will merge with Schroder International Selection Fund — Frontier Markets Equity (the "Receiving Fund") (the "Merger"). Shareholders in the Merging Fund will receive the equivalent value of shares in the Receiving Fund in place of their current shares in the Merging Fund.

Background and rationale

The Merging Fund and the Receiving Fund have a similar investment approach and risk profile, and given the relative size of the two funds, we believe that shareholders in the Merging Fund will benefit from a merger with the Receiving Fund. The Merging Fund has approximately USD 57 million under management as of 30 September 2021 while the Receiving Fund has approximately USD 403 million under management as of the same date.

A merger into the Receiving Fund offers investors of the Merging Fund an alternative fund with enhanced scale and a broadly similar investment approach. Both the Merging Fund and the Receiving Fund focus on providing capital growth by investing in equity and equity related securities of companies. The investment exposure of both the Merging Fund and the Receiving Fund offers some commonality across companies and regions although the Merging Fund has its main geographical focus in the Middle East, as well as in emerging Mediterranean markets and North Africa, while the Receiving Fund has its main geographical focus in frontier emerging markets, which currently include Asia, Eastern Europe, Latin America, the Middle East and Africa. As of end September 2021, the Receiving Fund had approximately 30% of its exposure in the Middle East and North Africa.

In addition, the greater size of the Receiving Fund can offer the potential for additional economies of scale following the Merger with the Merging Fund. The decision to merge the Merging Fund into the Receiving Fund is in accordance with Article 5 of the articles of incorporation of the Company (the Articles) and the provisions of the prospectus of the Company (the "Prospectus") and is in the interest of both funds' shareholders.

Investment objectives and policies

The investment objective of both the Merging Fund and the Receiving Fund includes the provision of capital growth by investing mainly in equity and equity related securities of companies. The Merging Fund typically holds 30 – 70 companies whereas the Receiving Fund typically holds 50 – 70 companies. As of end September 2021, the Merging Fund held 53 companies, and the Receiving Fund, 63 companies. Both the Merging Fund and Receiving Fund may use derivatives for the purposes of achieving investment gains, hedging risks and efficient portfolio management.

Share classes and annual investment management fee changes

The synthetic risk and return indicator (the SRRI) of the Receiving Fund and the Merging Fund is the same (category 5). The base currency of both the Merging Fund and the Receiving Fund is USD. A full summary of which Merging Fund share classes will be merged into which Receiving Fund share classes can be found in the Appendix.

The table below summarises the annual investment management charges (the AMC) and ongoing charges¹ (the OGC) for the share classes of the Merging Fund and the Receiving Fund.

Share class	Merging Fund		Receiving Fund	
	AMC	OGC ¹	AMC	OGC ¹

C Acc EUR	1.00%	1.45%	1.00%	1.42%
I Acc USD	0.00%	0.21%	0.00%	0.18%

Shareholders in the Merging Fund will be charged the same AMC and lower OGC in all cases as a result of the Merger.

Prior to the Merger, the Merging Fund will dispose of any assets that are not in line with the Receiving Fund's investment portfolio or which cannot be held due to investment restrictions.

Dealing cut-off time and settlement periods for subscriptions and redemptions

There is no change to the dealing cut-off time or the settlement periods. The dealing cut-off time of the Receiving Fund is 1.00 p.m. Luxembourg time on the dealing day. Orders that reach HSBC Continental Europe, Luxembourg ("HSBC") before the cut-off time will be executed on the dealing day. The settlement periods for subscription and redemption are within three business days following a dealing day.

A key features comparison table of the Merging Fund and the Receiving Fund (including the share class changes) can be found in the Appendix.

Merger

This Merger notice is required by Luxembourg law.

¹ Percentages are per annum and are stated with reference to the net asset value per share. The OGCs include, where applicable, the distribution charge, shareholder servicing charge, investment management fee and other administration costs including the fund administration, custodian and transfer agency costs. They include the management fees and administration costs of the underlying investment funds in the portfolio. The OGCs are as at 30 June 2021.

² This share class will be launched prior to the Effective Date to facilitate the Merger.

³ This is an indicative figure, derived from the difference in OGC between share classes that exist for both funds.

As a result of the Merger, there will be no change of legal entities acting as investment manager, which remains Schroder Investment Management Limited.

Costs and expenses of the Merger

The Merging Fund has no unamortised preliminary expenses and outstanding set-up costs. The expenses incurred in the Merger, including the legal, advisory and administrative costs, will be borne by the Company's management company, Schroder Investment Management (Europe) S.A. (the Management Company).

From **7 January 2022**, the Merging Fund's net asset value per share will be adjusted down each time there is a net outflow from the Merging Fund by means of a dilution adjustment. This is in order to account for the market-related transaction costs associated with the disposal of any investments that are not in line with the Receiving Fund's portfolio, or associated with redemption or switch orders received during the period leading up to the Merger. In the event that there are net inflows to the Merging Fund during this period the net asset value per share will be adjusted upwards. The intention of the adjustment is to protect existing and continuing investors in the Merging Fund from bearing all such market-related transaction costs and to apportion these appropriately. However, we do not expect that the transaction costs will be significant and they will not have a material impact on the shareholders of the Receiving Fund and the Merging Fund. Further information relating to dilution adjustments is available in the Prospectus in section 2.4 "Calculation of Net Asset Value". The Prospectus is available at www.schroders.lu.

Exchange ratio, treatment of accrued income and consequences of the Merger

On the Effective Date, the net assets of the Merging Fund will be transferred to the Receiving Fund. For the shares of each class that they hold in the Merging Fund, shareholders of the Merging Fund will receive an equal amount by value of shares of the corresponding class in the Receiving Fund. The exchange ratio of the Merger will be the result of the ratio between the net asset value of the relevant class of the Merging Fund and the net asset value or initial issue price of the relevant class of the Receiving Fund as of the Effective Date. While the overall value of the shareholders' holdings will remain the same, shareholders may receive a different number of shares in the Receiving Fund than they had previously held in the Merging Fund.

Any accrued income relating to the Merging Fund's shares at the time of the Merger will be included in the calculation of the final net asset value per share of the Merging Fund and will be accounted for after the Merger in the net asset value per share of the Receiving Fund. The Receiving Fund will not bear any additional income, expenses and liabilities attributable to the Merging Fund accruing after the Effective Date.

You will become a shareholder of the Receiving Fund, in the share class which corresponds to your current holding in the Merging Fund. A full summary of which Merging Fund share classes will be merged into which Receiving Fund share classes can be found under section "Existing and New Share Class Mapping" in the Appendix.

The first dealing date for your shares in the Receiving Fund will be **22 February 2022**, the related deal cut-off for this dealing day being 1.00 p.m. Luxembourg time on the dealing day.

Rights of shareholders to redeem/switch

If you do not wish to hold shares in the Receiving Fund from the Effective Date, you have the right to redeem your holding in the Merging Fund or to switch into another Schroder fund at any time up to and including the dealing day on **14 February 2022**.

HSBC will execute your redemption or switch instructions in accordance with the provisions of the Prospectus free of charge, although in some countries local paying agents, correspondent banks or similar agents may charge transaction fees. Local agents may also have a local deal cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach HSBC before the 1.00 p.m. Luxembourg time deal cut-off on **14 February 2022**.

Subscriptions or switches into the Merging Fund from new investors will not be accepted after deal cut-off on **7 January 2022**. To allow sufficient time for changes to be made to regular savings plans and similar facilities, subscriptions or switches into the Merging Fund will be accepted from existing investors until **31 January 2022** (deal cut-off at 1.00 p.m. on **31 January 2022**).

Tax status

The conversion of shares at the time of the Merger and / or your redemption or switch of shares prior to the Merger might affect the tax status of your investment. We therefore recommend that you seek independent professional advice in these matters.

Further information

We advise shareholders to read the Receiving Fund's key investor information document (the KIID) which accompanies this letter. This is a representative KIID for the Receiving Fund, showing information for a standard share class (A share class). It is, together with the KIIDs of all other available share classes, available at www.schroders.lu. The Prospectus is also available at that address.

An audit report will be prepared by the approved statutory auditor in relation to the Merger and will be available free of charge upon request from the Management Company.

We hope that you will choose to remain invested in the Receiving Fund after the Merger. If you would like more information, please contact your local Schroders office, your usual professional adviser or the Management Company on (+352) 341 342 202.

Yours faithfully,

The Board of Directors
